DESCRIPTION OF THE VARIABLES OF
THE FILE "WOMEN"

Data were collected through a questionnaire that was divided into the following ten parts:

- Section 1: HOUSEHOLD CHARACTERISTICS

- Section 2: PARENTAL HOME

- Section 3: PARTNERSHIP

- Section 4: PREGNANCIES AND CHILDREN

- Section 5: CURRENT FERTILITY REGULATION

- Section 6: FUTURE FERTILITY AND VIEWS ON HAVING CHILDREN

- Section 7: EDUCATIONAL CAREER

- Section 8: OCCUPATIONAL CAREER

- Section 9: SPOUSE/COHABITING PARTNER CHARACTERISTICS AND RELIGIOUSNESS

- Section 10: OPINIONS

There was also an eleventh section, for the interviewer:

- Section 11: SECTION FOR THE INTERVIEWER

For women, there were two different questionnaires. The questionnaire D1 was implemented to half of the women interviewed, while the questionnaire D2 to the other half (in order to balance and relieve the burden of the questions). The differences between the two concern the special questions – not core ones – added to D1 and omitted in D2 (2.10, 2.11, 2.12, 9.2, 9.13, 9.14, 9.15, 10.1, 10.6, 10.8), and a set of items (10.12) inserted in D2 only.

Progressive number of field	Name of field	Type of field	Length of field	Contents
1	**NQUEST**	Numerical	4	Serial number of the questionnaire
2	**ID**	Numerical	5	ID of the respondent
3	**TRS**	Numerical	2	Progressive number: Type of record
4	**COMUNE**	Numerical	1	Dimension of the municipality (ISTAT Code)
5	**ETA1CON**	Numerical	2	Age of first contraception
6	**TRT**	Numerical	2	Column's number
7	**TQUEST**	Numerical	2	Whether the woman answered the questionnaire D1 or D2
8	**PROV**	Numerical	3	Code of province of residence
9	**COM**	Numerical	3	Code of municipality of residence
10	**ELENCO**	Numerical	1	Basic list
11	**SEZIONE**	Numerical	4	Electoral section
12	**N_ORD**	Numerical	4	Serial number
13	**COD_INT**	Numerical	3	Interviewer code
14	**ETA**	Numerical	2	Age of the respondent
15	**CLETA**	Numerical	1	Age of the respondent (recoded): • 1 = 20-29 • 2 = 30-39 • 3 = 40-49
16	**RIP**	Numerical	1	Geographical origin: • 1 = North-Western Italy • 2 = North-Eastern Italy • 3 = Central Italy • 4 = Southern Italy • 5 = Isles
17	**K1**	Numerical	8	Whole weight (base weight) that allows to reproduce the total male and female population
18	**K2**	Numerical	8	Decimal weight (4 decimal places) to reproduce the total sample of males and females
19	**K3**	Numerical	8	Post-stratified whole weight by geographical distribution and age class that allows the reproduction of the male and female population by geographical distribution and age class
20	**K4**	Numerical	8	Post-stratified decimal weight (4 decimal places) by geographical distribution and age class that allows to reproduce the total sample of males and females by geographical distribution and age class

		Section 1: HOUSEHOLD CHARACTERISTICS			
21	**D1_1**	Numerical	2	Number of people living in the household of the respondent (including the respondent)
22	**D1_11**	Numerical	1	Whether the respondent owns the dwelling unit: • 1 = Own • 2 = Rent • 3 = Other
23	**D1_12_1**	Numerical	2	Person(s) that rents/owns the dwelling unit (95 if he is not a household member)
24	**D1_12_2**	Numerical	2	Person(s) that rents/owns the dwelling unit (95 if he is not a household member)
25	**D1_12_3**	Numerical	2	Person(s) that rents/owns the dwelling unit (95 if he is not a household member)
26	**D1_12_4**	Numerical	2	Person(s) that rents/owns the dwelling unit (95 if he is not a household member)
27	**D1_3**	Numerical	2	Relationship of the person to the respondent: • 01 = Respondent • 02 = Spouse • 03 = Partner cohabitant • 04 = Son/daughter (own) • 05 = Partner's child • 06 = Adopted or foster child • 07 = Parent – Step parent • 08 = Partner's parent • 09 = Son/daughter partner • 10 = Brother/sister • 11 = Brother/sister in law • 12 = Grandparent • 13 = Grandchild (from sons) • 14 = Grandchild (from brother • 15 = Other relative • 16 = Other no relative
28	**D1_4**	Numerical	1	Sex
29	**D1_5MM**	Numerical	2	Month of birth
30	**D1_5AA**	Numerical	2	Year of birth (last two digits)
31	**D1_6**	Numerical	1	Whether the person was born before 1-1-1981: • 1 = No • 2 = Yes

32	**D1_7**	Numerical	2	Highest level of education completed: • 01 = None • 02 = Primary • 03 = 2nd level (1st stage) • 04 = 2nd level (2nd stage): short • 05 = 2nd level (2nd stage): long • 06 = 3rd level (1st stage university): diploma • 07 = 3rd level (1st stage university): degree • 97 = Don't' know • 98 = No response
33	**D1_8**	Numerical	1	Marital status: • 1 = Single • 2 = Married • 3 = Widowed • 4 = Divorced • 5 = Legally separated • 7 = Don't know • 8 = No response
34	**D1_9**	Numerical	2	Main activity: • 01 = Employed • 02 = Unemployed • 03 = In search of first job • 04 = Housewife/houseman • 05 = Student • 06 = Retired • 07 = Other • 97 = Don't know • 98 = No response
35	**D1_10**	Numerical	1	Whether the person is the last member of the household: • 1 = No • 2 = Yes
Section 2: PARENTAL HOME				
36	**D2_1**	Numerical	2	Father's highest level of education completed: • 01 = None • 02 = Primary • 03 = 2nd level (1st stage) • 04 = 2nd level (2nd stage): short • 05 = 2nd level (2nd stage): long • 06 = 3rd level (1st stage university): diploma

				• 07 = 3rd level (1st stage university): degree • 97 = Don't' know • 98 = No response
37	**D2_2**	Numerical	1	Whether the mother ever worked during the respondent's growth (up to age 15): • 1 = no • 2 = yes, occasionally • 3 = yes, for some years • 4 = yes, most of the time • 5 = yes, at all times • 7 = don't know • 8 = no response
38	**D2_3**	Numerical	2	Number of born alive children that the mother had (including the respondent)
39	**D2_4**	Numerical	1	Whether parents ever separated or divorced: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response • 9 = Not applicable
40	**D2_5**	Numerical	2	Age when parents' separation occurred
41	**D2_6C**	Numerical	3	Code of municipality where the respondent lived most of the time up to age 15
42	**D2_6P**	Numerical	3	Code of province where the respondent lived most of the time up to age 15
43	**D2_7**	Numerical	1	With which parent the respondent lived most of that time: • 1 = Both parents • 2 = Father only • 3 = Mother only • 4 = Neither parent
44	**D2_8**	Numerical	1	Whether the respondent ever left parents to start living on her own: • 1 = Yes • 2 = No • 8 = No response
45	**D2_9MM**	Numerical	2	Month in which the respondent left parents to start living on her own
46	**D2_9AA**	Numerical	2	Year in which the respondent left parents to start living on her own (last two digits)

47	**D2_10**	Numerical	1	Main reason for the respondent to start living on her own (D1 only): • 1 = Marriage • 2 = Work • 3 = Study • 4 = Autonomy/independence • 5 = Other • 8 = No response
48	**D2_11**	Numerical	1	People who formed the household that the respondent left (D1 only): • 1 = One parent only • 2 = A parent with brothers/sisters • 3 = Two parents only • 4 = Two parents with brothers/sisters • 5 = Other composition • 8 = No response
49	**D2_12**	Numerical	1	People with whom the respondent went to cohabit (D1 only): • 1 = Alone • 2 = Only with partner • 3 = Only with partner and children • 5 = Only with others non relatives • 6 = Other composition • 8 = No response
50	**D2_13**	Numerical	1	Whether the respondent is still living with her parents: • 1 = Yes • 2 = No
51	**D2_14**	Numerical	1	Whether the respondent is economically independent: • 1 = Yes • 2 = No
52	**D2_15MM**	Numerical	2	Months since when the respondent began to be economically independent
53	**D2_15AA**	Numerical	2	Years since when the respondent began to be economically independent
54	**D2_16MM**	Numerical	2	Month in which the respondent stopped living with her parents
55	**D2_16AA**	Numerical	2	Year in which the respondent stopped living with her parents

				Section 3: PARTNERSHIP
56	**D3_1**	Numerical	1	Marital status at the moment of the survey: • 1 = Single • 2 = Married • 3 = Widowed • 4 = Divorced • 5 = Legally separated
57	**D3_2**	Numerical	1	Whether the husband is still living with the respondent: • 1 = Yes • 2 = Not anymore • 3 = Not yet
58	**D3_3**	Numerical	1	Reason of the previous answer: • 1 = Marital discord • 2 = Other (forced living apart together because of housing or work conditions)
59	**D3_4**	Numerical	2	Number of marriages (98 = No response)
60	**D3_5**	Numerical	1	Whether the respondent ever lived in the same household with a partner with whom she wasn't immediately married: • 1 = Yes • 2 = No • 8 = No response
61	**D3_6**	Numerical	2	Number of partnership of the previous kind (not ended with a marriage)
62	**D3_7**	Numerical	1	Whether the respondent is currently married: • 1 = Yes, living with husband • 2 = Yes, not living with husband because of forced L.A.T. • 3 = Yes, not living with husband for marital discord • 4 = No
63	**D3_8**	Numerical	1	Whether the respondent ever had non marital partnership: • 1 = No • 2 = Yes
64	**D3_9**	Numerical	1	Whether the respondent is currently living in the same household with someone to whom she is not married: • 1 = Yes • 2 = No • 8 = No response
				Section 3: PARTNERSHIP

65	**D3_10**	Numerical	1	Whether the respondent is currently having a steady relationship with a man without living together: • 1 = Yes • 2 = No • 8 = No response
66	**D3_11MM**	Numerical	2	Month in which the relationship started
67	**D3_11AA**	Numerical	2	Year in which the relationship started (last two digits)
68	**D3_12**	Numerical	1	Whether the respondent is living separated from the husband because they want to or because they have to: • 1 = Want to • 2 = Have to • 3 = Both • 7 = Don't know • 8 = No response
69	**D3_13**	Numerical	1	Whether the respondent intends to start living together within the next two years, without being married: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
70	**D3_14**	Numerical	1	Whether the respondent intends to marry with the partner in the next month: • 1 = Yes, with civil rite • 2 = Yes, with religious rite • 3 = No • 7 = Don't know • 8 = No response
71	**D3_15**	Numerical	1	Whether the respondent would like to marry in the future: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
72	**D3_16A**	Numerical	1	Whether the respondent agrees with living alone without a steady relationship with a partner: • 1 = Agree • 2 = Disagree • 7 = Don't know
73	**D3_16B**	Numerical	1	Whether the respondent agrees with living alone with a steady relationship with a partner: • 1 = Agree • 2 = Disagree • 7 = Don't know

74	**D3_16C**	Numerical	1	Whether the respondent agrees with cohabiting with a partner for a period of time as a test for marriage: • 1 = Agree • 2 = Disagree • 7 = Don't know
75	**D3_16D**	Numerical	1	Whether the respondent agrees with cohabiting with a partner without intending to marry: • 1 = Agree • 2 = Disagree • 7 = Don't know
76	**D3_16E**	Numerical	1	Whether the respondent agrees with cohabiting in place of marrying: • 1 = Agree • 2 = Disagree • 7 = Don't know
77	**D3_17A**	Numerical	1	Whether the respondent considers necessary to achieve before marriage the completion of personal education: • 1 = Yes • 2 = No
78	**D3_17B**	Numerical	1	Whether the respondent considers necessary to achieve before marriage the completion of partner's education: • 1 = Yes • 2 = No
79	**D3_17C**	Numerical	1	Whether the respondent considers necessary to achieve before marriage a personal adequate work: • 1 = Yes • 2 = No
80	**D3_17D**	Numerical	1	Whether the respondent considers necessary to achieve before marriage an adequate work for partner: • 1 = Yes • 2 = No
81	**D3_17E**	Numerical	1	Whether the respondent considers necessary to achieve before marriage all independent accommodation: • 1 = Yes • 2 = No
82	**D3_17F**	Numerical	1	Whether the respondent considers necessary to achieve before marriage being the dwelling owner (her or partner): • 1 = Yes • 2 = No

83	**D3_17G**	Numerical	1	Whether the respondent considers necessary to achieve before marriage a furnished home: • 1 = Yes • 2 = No
84	**D13_7H**	Numerical	1	Whether the respondent considers necessary to achieve before marriage not taking care of relatives: • 1 = Yes • 2 = No
85	**D3_18**	Numerical	2	Number of different partnerships
86	**D3_19**	Numerical	1	Whether the respondent ever had a partnership: • 1 = No • 2 = Yes
87	**D3_20**	Numerical	1	• 8 = The respondent didn't answer to the following questions
88	**D3_21MM**	Numerical	2	Month in which the respondent started living with her (first, second,…) partner in the same household
89	**D3_21AA**	Numerical	2	Year in which the respondent started living with her (first, second,…) partner in the same household (last two digits)
90	**D3_22**	Numerical	2	Age of the partner when they started living together
91	**D3_23**	Numerical	1	Whether the partner already had children of his own at that time (including any adopted or foster children): • 1 = No • 2 = Yes
92	**D3_24**	Numerical	2	Number of children that the partner already had
93	**D3_25**	Numerical	2	Number of children that the partner brought along with him
94	**D3_26**	Numerical	1	Whether the respondent and the partner were married when they started living together: • 1 = Yes • 2 = No
95	**D3_27**	Numerical	1	Partner's marital status: • 1 = Single • 2 = Married • 3 = Widowed • 4 = Divorced • 5 = Legally separated

96	**D3_28**	Numerical	1	Whether the respondent and the partner got married later: • 1 = Yes • 2 = No
97	**D3_29MM**	Numerical	2	Month in which the respondent married her partner
98	**D3_29AA**	Numerical	2	Year in which the respondent married her partner (last two digits)
99	**D3_30**	Numerical	1	Whether the marriage was civil or religious: • 1 = Religious • 2 = Civil
100	**D3_31**	Numerical	1	Whether the cohabitation started with marriage: • 1 = Yes • 2 = No
101	**D3_32**	Numerical	1	Partner's marital status at marriage: • 1 = Single • 3 = Widowed • 4 = Divorced
102	**D3_33**	Numerical	1	Whether the respondent had more partnerships: • 1 = No • 2 = Yes
103	**D3_34**	Numerical	1	Whether the respondent currently lives with this partner in the same household: • 1 = Yes • 2 = Not yet (L.A.T.) • 3 = No
104	**D3_35MM**	Numerical	2	Month in which the respondent stopped living with her partner in the same household
105	**D3_35AA**	Numerical	2	Month in which the respondent stopped living with her partner in the same household (last two digits)
106	**D3_36**	Numerical	1	The way in which the partnership ended: • 1 = Voluntary separation • 2 = Partner died • 3 = Other (forced L.A.T.)
107	**D3_37**	Numerical	1	Whether the respondent had another partnership: • 1 = No • 2 = Yes (back to 3.20 to repeat the questions for every partner the respondent had)

	**Section 4: PREGNANCIES AND CHILDREN**
108	**D4_1**	Numerical	1	Whether the respondent ever had a pregnancy: • 1 = No • 2 = Yes
109	**D4_2**	Numerical	1	Whether the respondent is currently pregnant: • 1 = Yes • 2 = No • 7 = Don't know
110	**D4_3**	Numerical	2	Present month of pregnancy
111	**D4_4**	Numerical	2	Number of pregnancies (excluding the current and considering also pregnancies that miscarried, was aborted or ended in a stillbirth)
112	**D4_5**	Numerical	1	Number of pregnancies: • 1 = None • 2 = One or more
113	**D4_16**	Numerical	1	Number of abortions: • 1 = None • 2 = One or more
114	**D4_6**	Numerical	1	8 = The respondent didn't answer to the following questions
115	**D4_7MM**	Numerical	2	Month in which the (first, second,…) pregnancy ended
116	**D4_7AA**	Numerical	2	Year in which the (first, second,…) pregnancy ended
117	**D4_8**	Numerical	1	Duration of pregnancy (months)
118	**D4_9**	Numerical	1	Number of months: • 1 = More than 5 • 2 = Until 5
119	**D4_10**	Numerical	1	Whether the pregnancy ended in a miscarriage or in an abortion: • 1 = Miscarriage • 2 = Abortion • 8 = No response
120	**D4_11**	Numerical	1	Number (live births + stillbirths)
121	**D4_12**	Numerical	1	Number of live births
122	**D4_13**	Numerical	1	Whether the respondent had a bad health which obliged her to hospitalization and/or to stay at bed during the pregnancy: • 1 = Yes • 2 = No
123	**D4_14**	Numerical	1	Whether the respondent had a Caesarean operation: • 1 = No • 2 = Yes
124	**D4_15**	Numerical	1	Whether that was the last pregnancy: • 1 = No • 2 = Yes

125	**D4_17**	Numerical	2	Total number of children that the respondent had
126	**D4_18**	Numerical	1	Number of live births: • 1 = No live birth • 2 = One or more live birth
127	**D4_20MM**	Numerical	2	Child's month of birth (starting from the oldest)
128	**D4_20AA**	Numerical	2	Child's year of birth (last two digits)
129	**D4_21**	Numerical	1	Child's sex
130	**D4_22A**	Numerical	2	Number of months with breast-feeding only
131	**D4_22B**	Numerical	2	Number of months with breast-feeding and mix nutrition
132	**D4_23**	Numerical	1	Whether the child still lives with the respondent
133	**D4_24MM**	Numerical	2	Months since when the child doesn't live with the respondent any longer
134	**D4_24AA**	Numerical	2	Years since when the child doesn't live with the respondent any longer
135	**D4_25**	Numerical	1	Reason because the child doesn't live with the respondent any longer: • 1 = Child moved out to live on his/her own • 2 = Child moved in with the other parent • 3 = Child given up for adoption • 4 = Child died • 5 = Respondent moved, child staying behind • 6 = Other
136	**D4_26**	Numerical	1	Child's main reason to move out to live on her/his own: • 1 = Marriage • 2 = Work • 3 = Study • 4 = Autonomy/independence • 5 = Other • 7 = Don't know
137	**D4_27**	Numerical	1	Whether that was the respondent's last child: • 1 = No • 2 = Yes
138	**D4_28**	Numerical	2	Total number of adopted child, stepchild and foster-child
139	**D4_29**	Numerical	1	Number of adopted child, stepchild and foster-child: • 1 = None • 2 = One or more

140	**D4_40**	Numerical	1	Whether the respondent is currently pregnant: • 1 = Yes or don't know • 2 = No
141	**D4_41**	Numerical	1	Whether the respondent ever had a partnership: • 1 = No • 2 = Yes
142	**D4_42**	Numerical	1	Whether the respondent ever had any pregnancy: • 1 = No • 2 = Yes
143	**D4_30**	Numerical	1	8 = The respondent didn't answer to the following questions
144	**D4_31**	Numerical	1	(Talking about adopted, step or foster children) How happened that this child came to live in the respondent's household: • 1 = Adoption • 2 = Foster-child • 3 = Step-child • 4 = Other • 8 = No response
145	**D4_32MM**	Numerical	2	Month in which the child came to live with the respondent
146	**D4_32AA**	Numerical	2	Year in which the child came to live with the respondent (last two digits)
147	**D4_33MM**	Numerical	2	Child's month of birth
148	**D4_33AA**	Numerical	2	Child's year of birth (last two digits)
149	**D4_34**	Numerical	1	Child's sex: • 1 = Male • 2 = Female
150	**D4_35**	Numerical	1	Whether the child still lives with the respondent: • 1 = No • 2 = Yes
151	**D4_36MM**	Numerical	2	Months since when the child doesn't live with the respondent any longer
152	**D4_36AA**	Numerical	2	Years since when the child doesn't live with the respondent any longer
153	**D4_37**	Numerical	1	Reason because the child doesn't live with the respondent any longer: • 1 = Child moved out to live on his/her own • 2 = Child moved in with the other parent • 3 = Child given up for adoption • 4 = Child died • 5 = Respondent moved, child staying behind • 6 = Other

154	**D4_38**	Numerical	1	Child's main reason to move out to live on her/his own: • 1 = Marriage • 2 = Work • 3 = Study • 4 = Autonomy/independence • 5 = Other • 7 = Don't know
155	**D4_39**	Numerical	1	Whether that was the respondent's last child: • 1 = No • 2 = Yes

Section 5: CURRENT FERTILITY REGULATION

156	**D5_1**	Numerical	1	Whether the respondent ever had sexual intercourses: • 1 = Yes • 2 = No • 8 = No response
157	**D5_2**	Numerical	2	Age of the first sexual intercourse
158	**D5_3**	Numerical	1	Whether, at the first sexual intercourse. The respondent or the partner used anything to avoid pregnancy: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
159	**D5_4**	Numerical	1	Whether the respondent is currently pregnant: • 1 = Currently pregnant and never had other pregnancies • 2 = Currently pregnant and already had other pregnancies • 3 = Currently not pregnant or uncertain and never had other pregnancies
160	**D5_5**	Numerical	1	Whether the respondent and the partner used something to avoid pregnancy in the period elapsed between the first sexual intercourse and the current pregnancy (only for women currently pregnant): • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
161	**D5_6**	Numerical	1	Whether the respondent used contraception at the first intercourse: • 1 = Yes • 2 = No

162	**D5_7**	Numerical	2	Age in which the respondent first did or used something to avoid pregnancy
163	**D5_8**	Numerical	1	Whether the respondent and the partner used something to avoid pregnancy in the period elapsed between the end of the last pregnancy and the onset of the current: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
164	**D5_9**	Numerical	1	Whether the respondent wanted a child when she became pregnant: • 1 = Yes • 2 = Not at all • 3 = Not in that moment • 4 = Unimportant • 7 = Don't know • 8 = No response
165	**D5_10_1**	Numerical	2	First contraceptive method mainly used in the considered period: • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response
166	**D5_10_2**	Numerical	2	Second contraceptive method used in combination with the first one in the considered period: • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know

				• 98 = No response • 99 = Not applicable (no method B)
167	**D5_11**	Numerical	1	Whether the respondent was using contraceptive methods at the time she became pregnant: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
168	**D5_12_1**	Numerical	2	First contraceptive method mainly used by the respondent at the time she became pregnant : • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response
169	**D5_12_2**	Numerical	2	Second contraceptive method used by the respondent, in combination with the first one, at the time she became pregnant: • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response • 99 = Not applicable (no method B)
170	**D5_13AA**	Numerical	2	Number of years in which the respondent stopped using contraceptive methods before becoming pregnant

171	**D5_13MM**	Numerical	2	Number of months in which the respondent stopped using contraceptive methods before becoming pregnant
172	**D5_14_1**	Numerical	2	Last contraceptive method mainly used: • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response
173	**D5_14_2**	Numerical	2	Last contraceptive method used in combination with the first one: • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response • 99 = Not applicable (no method B)
174	**D5_15**	Numerical	2	Reason to stop using this method: • 01 = Wanted a child • 02 = No sexual relationship • 03 = Discord between partner about which method to use • 04 = Side effects • 05 = Health concerns • 06 = Access/availability • 07 = Inconvenient to use • 08 = Cost • 09 = Other • 97 = Don't know • 98 = No response

175	**D5_16**	Numerical	1	Whether the respondent wanted a child at the time she became pregnant: • 1 = Yes • 2 = Not at all • 3 = Not in that moment • 4 = Unimportant • 7 = Don't know • 8 = No response
176	**D5_17**	Numerical	1	Whether the respondent and the partner did or used something to avoid pregnancy: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
177	**D5_18**	Numerical	1	Whether the respondent used contraception at the first intercourse: • 1 = Yes • 2 = No
178	**D5_19**	Numerical	2	Age in which the respondent first did or used something to avoid pregnancy
179	**D5_20**	Numerical	1	Whether, after the last pregnancy, the respondent ever used any contraceptive method to avoid becoming pregnant: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
180	**D5_21_1**	Numerical	2	First contraceptive method mainly used in the considered period: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response

181	**D5_21_2**	Numerical	2	Second contraceptive method used in combination with the first one in the considered period: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response • 99 = Not applicable (no method B)
182	**D5_22**	Numerical	1	Whether the respondent knows if she can have a child: • 1 = Certainly yes • 2 = Probably yes • 3 = Probably not • 4 = Certainly not • 7 = Don't know • 8 = No response
183	**D5_23**	Numerical	1	Whether the respondent ever had an operation that makes it difficult or impossible for her to have any (more) children: • 1 = Yes • 2 = No • 8 = No response
184	**D5_24MM**	Numerical	2	Month of the operation
185	**D5_24AA**	Numerical	2	Year of the operation
186	**D5_25**	Numerical	1	Whether the respondent had the operation for contraceptive or medical reasons: • 1 = Contraceptive • 2 = Medical • 3 = Both • 8 = No response
187	**D5_26**	Numerical	1	Whether the respondent had sexual intercourses in the last 4 weeks: • 1 = Yes • 2 = No • 8 = No response

188	**D5_27**	Numerical	1	Whether the respondent ever used contraceptive methods: • 1 = Yes • 2 = No
189	**D5_28**	Numerical	1	Whether the respondent and the partner used any contraceptive method or combination of methods in the last 4 weeks: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
190	**D5_29_1**	Numerical	2	First contraceptive method mainly used in the considered period: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response
191	**D5_29_2**	Numerical	2	Second contraceptive method used in combination with the first one in the considered period: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response • 99 = Not applicable (no method B)

192	**D5_30**	Numerical	1	Whether the current partner was sterilized: • 1 = No • 2 = Yes
193	**D5_31MM**	Numerical	2	Month in which the partner was sterilized
194	**D5_31AA**	Numerical	2	Year in which the partner was sterilized
195	**D5_32_1**	Numerical	2	Last contraceptive method mainly used: • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response
196	**D5_32_2**	Numerical	2	Last contraceptive method used in combination with the first one: • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response • 99 = Not applicable (no method B)
197	**D5_33AA**	Numerical	2	Number of years in which the respondent stopped using contraceptive methods
198	**D5_33MM**	Numerical	2	Number of months in which the respondent stopped using contraceptive methods

199	**D5_34**	Numerical	2	Reason to stop using this method: • 01 = Wanted a child • 02 = No sexual relationship • 03 = Discord between partner about which method to use • 04 = Side effects • 05 = Health concerns • 06 = Access/availability • 07 = Inconvenient to use • 08 = Cost • 09 = Other • 97 = Don't know • 98 = No response
200	**D5_35**	Numerical	1	Whether the respondent had past pregnancies: • 1 = No • 2 = Yes
201	**D5_36**	Numerical	1	Total number of pregnancies (excluding respondents with more than six pregnancies)
202	**D5_48**	Numerical	1	Whether the respondent is currently pregnant: • 1 = Yes • 2 = No/Don't know
203	**D5_49**	Numerical	1	Whether the respondent is currently fecund: • 1 = Yes/Don't know/No response • 2 = No
204	**D5_50**	Numerical	1	Whether the respondent had an operation: • 1 = Operation for contraceptive reason or both contraceptive and medical reasons • 2 = Operation for medical reasons/No response/No operation
205	**D5_38**	Numerical	1	Whether the respondent and the partner used any contraceptive methods in the period between two pregnancies (referring to the first six past pregnancies): • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
206	**D5_39**	Numerical	2	Age in which the respondent did or used for the first time something to avoid becoming pregnant

207	**D5_40_1**	Numerical	2	First contraceptive method mainly used in the considered period: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response
208	**D5_40_2**	Numerical	2	Second contraceptive method used in combination with the first one in the considered period: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response • 99 = Not applicable (no method B)
209	**D5_41**	Numerical	1	Whether the respondent was using contraceptive methods at the time she became pregnant: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
210	**D5_42_1**	Numerical	2	First contraceptive method mainly used in the considered period: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device

				• 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response
211	**D5_42_2**	Numerical	2	Second contraceptive method used in combination with the first one in the considered period: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response • 99 = Not applicable (no method B)
212	**D5_43AA**	Numerical	2	Years since when the respondent stopped using any methods
213	**D5_43MM**	Numerical	2	Months since when the respondent stopped using any methods
214	**D5_44_1**	Numerical	2	Last contraceptive method mainly used: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response

215	**D5_44_2**	Numerical	2	Last contraceptive method used in combination with the first one: • 01 = Respondent's sterilization • 02 = Partner's sterilization • 03 = Pill • 04 = Intrauterine device • 05 = Diaphragm, foam, jelly, sponge • 06 = Condom • 07 = Temperature, Billings • 08 = Periodic abstinence (Ogino-Knaus) • 09 = Withdrawal • 10 = Any other method • 97 = Don't know • 98 = No response • 99 = Not applicable (no method B)
216	**D5_45**	Numerical	2	Reason to stop using this method: • 01 = Wanted a child • 02 = No sexual relationship • 03 = Discord between partner about which method to use • 04 = Side effects • 05 = Health concerns • 06 = Access/availability • 07 = Inconvenient to use • 08 = Cost • 09 = Other • 97 = Don't know • 98 = No response
217	**D5_46**	Numerical	1	Whether the respondent wanted a child at the time she became pregnant: • 1 = Yes • 2 = Not at all • 3 = Not in that moment • 4 = Unimportant • 7 = Don't know • 8 = No response
218	**D5_47**	Numerical	1	Whether this one is to lest pregnancy to consider: • 1 = No (back to 5.37 to repeat the questions for every pregnancy the respondent had) • 2= Yes

				Section 6: FUTURE FERTILITY AND VIEWS ON HAVING CHILDREN
219	**D6_1**	Numerical	1	Number of live births: • 1 = None • 2 = At least one live birth
220	**D6_2**	Numerical	1	Whether the respondent wants to have children of her own some time: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
221	**D6_3**	Numerical	2	Number of children wanted from the respondent (one digit if the woman knows the exact number of children wanted. Two digits if the number is not exact) Ex: • 1 = The respondent wants 1 children • 12 = The respondent wants 1 or 2 children • 97 = Don't know
222	**D6_4**	Numerical	1	Whether the respondent would like to have one more child or one less child, in the case she couldn't have the previous number of children: • 1 = One more • 2 = One less • 7 = Don't know
223	**D6_5**	Numerical	2	Age in which the respondent wants to have the last child at the latest (97 = Don't know)
224	**D6_6**	Numerical	1	Whether the respondent wants to have at least another child sometime: • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
225	**D6_7**	Numerical	2	Number of further children wanted from the respondent (one digit if the woman knows the exact number of children wanted. Two digits if the number is not exact) Ex: • 1 = The respondent wants 1 children • 12 = The respondent wants 1 or 2 children • 97 = Don't know

226	**D6_8**	Numerical	1	Whether the respondent thinks that, in addition to the child she is expecting, she would want to have other children sometime (only for pregnant women): • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response
227	**D6_9**	Numerical	2	Number of further children wanted from the respondent (one digit if the woman knows the exact number of children wanted. Two digits if the number is not exact) (only for pregnant women) Ex: • 1 = The respondent wants 1 children • 12 = The respondent wants 1 or 2 children • 97 = Don't know
228	**D6_10_1**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "Children are expensive, especially when they grow up" • 1 = Important • 2 = Not important • 7 = Don't know
229	**D6_10_2**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "Children make it harder for a woman to have a job" • 1 = Important • 2 = Not important • 7 = Don't know
230	**D6_10_3**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "There would not be enough time for other important things in life" • 1 = Important • 2 = Not important • 7 = Don't know
231	**D6_10_4**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "Pregnancies, child-births and the care of children are hard for a woman" • 1 = Important

				• 2 = Not important • 7 = Don't know
232	**D6_10_5**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "Bringing up children and entails many worries and problems" • 1 = Important • 2 = Not important • 7 = Don't know
233	**D6_10_6**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "My house is not suitable for a larger family" • 1 = Important • 2 = Not important • 7 = Don't know
234	**D6_10_7**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "Cannot rely on the steady help of relatives and friends" • 1 = Important • 2 = Not important • 7 = Don't know
235	**D6_10_8**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "To be completely exhausted by the care of other relatives" • 1 = Important • 2 = Not important • 7 = Don't know
236	**D6_10_9**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing not to have a child: "The relationship with the partner is not strong enough" • 1 = Important • 2 = Not important • 7 = Don't know
237	**D6_11**	Numerical	1	Number of previous reasons indicated as important: • 1 = Only one or none • 2 = More than one
238	**D6_12**	Numerical	1	Most important reason for the respondent in choosing not to have a child: • 1 = Children are expensive, especially when they grow up

				2 = Children make it harder for a woman to have a job 3 = There would not be enough time for other important things in life 4 = Pregnancies, child-births and the care of children are hard for a woman 5 = Bringing up children and entails many worries and problems 6 = My house is not suitable for a larger family 7 = Cannot rely on the steady help of relatives and friends 8 = To be completely exhausted by the care of other relatives 9 = The relationship with the partner is not strong enough
239	**D6_13**	Numerical	1	What the respondent would do in the case she became unintentionally pregnant: 1 = Have the baby and keep him with herself 2 = Have the baby and give him up for the adoption 3 = Maybe have an abortion 4 = Certainly have an abortion 7 = Don't know 8 = No response
240	**D6_14**	Numerical	2	Age in which the respondent wants to have the next child at the latest (97 = Don't know)
241	**D6_15_1**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing to have a child: "Children make it less likely that one will be lonely in his old age" 1 = Important 2 = Not important 7 = Don't know
242	**D6_15_2**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing to have a child: "Children give a sense of responsibility and help a person to develop" 1 = Important 2 = Not important 7 = Don't know

243	**D6_15_3**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing to have a child: "It is a fine thing to see children grow up and develop" • 1 = Important • 2 = Not important • 7 = Don't know
244	**D6_15_4**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing to have a child: "It gives satisfaction to see the family carried on" • 1 = Important • 2 = Not important • 7 = Don't know
245	**D6_15_5**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing to have a child: "Having children imparts a special feeling of joy" • 1 = Important • 2 = Not important • 7 = Don't know
246	**D6_15_6**	Numerical	1	Whether the respondent thinks that the following sentence is important in choosing to have a child: "Having children strengthens the relationship with the partner" • 1 = Important • 2 = Not important • 7 = Don't know
247	**D6_16**	Numerical	1	Number of previous reasons indicated as important: • 1 = Only one or none • 2 = More than one
248	**D6_17**	Numerical	1	Most important reason for the respondent in choosing to have a child: • 1 = Children make it less likely that one will be lonely in his old age • 2 = Children give a sense of responsibility and help a person to develop • 3 = It is a fine thing to see children grow up and develop • 4 = It gives satisfaction to see the family carried on • 5 = Having children imparts a special feeling of joy

				• 6 = Having children strengthens the relationship with the partner
249	**D6_18**	Numerical	2	Ideal number of children for an Italian family (97 = Don't know)
Section 7: EDUCATIONAL CAREER				
250	**D7_1**	Numerical	2	Highest level of education completed previously indicated (question 1.7): • 01 = None • 02 = Primary • 03 = 2nd level (1st stage) • 04 = 2nd level (2nd stage): short • 05 = 2nd level (2nd stage): long • 06 = 3rd level (1st stage university): diploma • 07 = 3rd level (1st stage university): degree • 98 = No response
251	**D7_2MM**	Numerical	2	Month in which this level of education was completed
252	**D7_2AA**	Numerical	2	Year in which this level of education was completed
253	**D7_3**	Numerical	1	Whether the responded attended other studies after having completed this level: • 1 = No • 2 = Yes
254	**D7_4**	Numerical	1	Whether the respondent is still studying: • 1 = Yes • 2 = No
255	**D7_5MM**	Numerical	2	Month in which the respondent stopped studying
256	**D7_5AA**	Numerical	2	Year in which the respondent stopped studying
257	**D7_6**	Numerical	2	Level of education at which the respondent is currently studying: • 01 = 2nd level (1st st.) • 02 = 2nd level (2nd st.): short • 03 = 2nd level (2nd st.) long • 04 = 3rd level (1st stage University): diploma • 05 = 3rd level (1st stage University): degree • 06 = 3rd level (2nd stage University) (postgraduate) • 07 = Other studies in the educational system

				• 08 = Other studies not in the educational system • 98 = No response
258	**D7_6AL**	Character	20	Explanation for respondent who answered "07" or "08" at the previous question
259	**D7_7**	Numerical	1	Whether the respondent is studying part-time or full-time: • 1 = Full-time • 2 = Part-Time
Section 8: OCCUPATIONAL CAREER				
260	**D8_1**	Numerical	1	Whether the respondent ever had a job carried out in periods of at least 3 consecutive months or in every seasonal activity if carried out during 2 years or more: • 1 = Never had • 2 = Yes, in the past • 3 = Yes, at present
261	**D8_16**	Numerical	1	Current work status: • 1 = Don't work • 2 = At present works
262	**D8_17**	Numerical	2	Respondent's main reason for working (only for respondents currently working): • 01 = My work makes me appreciated by my milieu • 02 = My works makes me economically independent • 03 = My work makes easier my fulfilment • 04 = My activity is interesting and involving • 05 = The professional relationships are important • 06 = I prefer to work outside, instead of being a full-time housewife • 07 = I work to contribute to family income • 08 = I work because I am compelled by economic need • 09 = Working is an usual thing in the life • 10 = Other reason • 97 = Don't know • 98 = Don't answer

263	**D8_18**	Numerical	2	Whether the respondent would like to modify her professional status: • 01 = No, I would go on as at present • 02 = Yes, I would reduce my commitment • 03 = Yes, I would change my job • 04 = Yes, I would stop to work • 7 = Don't know • 8 = No response
264	**D8_19**	Numerical	1	Whether the respondent is currently looking for a job (only for respondents that are currently not working): • 1 = Yes • 2 = No • 8 = No response
265	**D8_20**	Numerical	2	What the respondent did in the last three months in order to find a job: • 01 = Nothing • 02 = Registration in the employment list • 03 = Answers to classified advertisements • 04 = Interviews with employers • 05 = Competitions • 06 = Initiative to begin an own-account activity • 07 = Other • 98 = No response
266	**D8_21**	Numerical	1	Whether the respondent can dispose of her personal source of income: • 1 = No • 2 = Yes • 8 = No response
267	**D8_22**	Numerical	1	Approximate proportion of the family income represented by the respondent's income: • 1 = up to the 25% • 2 = 26-50% • 3 = 51-75% • 4 = 75% or more • 7 = Don't know • 8 = No response
268	**D8_23A**	Numerical	1	Whether, with more time at disposal, the respondent would spend it to study and training: • 1 = Yes • 2 = No

				• 7 = Don't know • 9 = No response
269	**D8_23B**	Numerical	1	Whether, with more time at disposal, the respondent would spend it to devote more time to herself: • 1 = Yes • 2 = No • 7 = Don't know • 9 = No response
270	**D8_23C**	Numerical	1	Whether, with more time at disposal, the respondent would spend it to work a greater number of paid hours: • 1 = Yes • 2 = No • 7 = Don't know • 9 = No response
271	**D8_23D**	Numerical	1	Whether, with more time at disposal, the respondent would spend it to devote more time to the household: • 1 = Yes • 2 = No • 7 = Don't know • 9 = No response
272	**D8_23E**	Numerical	1	Whether, with more time at disposal, the respondent would spend it to spend more time with her children: • 1 = Yes • 2 = No • 7 = Don't know • 9 = No response
273	**D8_23F**	Numerical	1	Whether, with more time at disposal, the respondent would spend it to spend more time with her partner: • 1 = Yes • 2 = No • 7 = Don't know • 9 = No response
274	**D8_23G**	Numerical	1	Whether, with more time at disposal, the respondent would spend it to spend more time with her relatives: • 1 = Yes • 2 = No • 7 = Don't know • 9 = No response
275	**D8_23H**	Numerical	1	Whether, with more time at disposal, the respondent would spend it for other reasons: • 1 = Yes • 2 = No • 7 = Don't know • 9 = No response

276	**D8_24**	Numerical	1	Monthly income of respondent's family (considering the last three months): • 01 = Up to 1.000.000 • 02 = From 1.000.001 to 1.500.000 • 03 = From 1.500.001 to 2.000.000 • 04 = From 2.000.001 to 2.500.000 • 05 = From 2.500.001 to 3.000.000 • 06 = From 3.000.001 to 3.500.000 • 07 = From 3.500.001 to 4.000.000 • 08 = From 4.000.001 to 5.000.000 • 09 = From 5.000.001 to 6.000.000 • 10 = From 6.000.001 to 8.000.000 • 11 = 8.000.001 or more • 97 = Don't know • 98 = No response
277	**D8_3MM**	Numerical	1	Month in which the respondent started the considered job (respondent has to repeat the following questions for all the jobs she had)
278	**D8_3AA**	Numerical	1	Year in which the respondent started the considered job
279	**D8_4**	Numerical	1	Whether the respondent still has the previous activity: • 1 = Yes • 2 = No
280	**D8_5**	Numerical	1	Whether the starting date of this job follows the end of the previous one: • 1 = No • 2 = Yes
281	**D8_6**	Numerical	1	Respondent's main status immediately before this job: • 01 = Employed • 02 = Unemployed • 03 = In search of first job • 04 = Housewife • 05 = Student • 06 = Other • 97 = Don't remember • 98 = No response

282	**D8_7**	Numerical	1	Respondent's status of employment in this job: • 01 = Employer • 02 = Professional • 03 = Own account (farmer, metayer, tradesman, craftsman) • 04 = Co-operative • 05 = Unpaid in family business • 06 = Manager • 07 = Executive • 08 = Office clerk • 09 = Professor • 10 = Teacher second level • 11 = Teacher first level (or proceeding first level) • 12 = Skilled worker, foreman • 13 = Unskilled worker • 14 = Other (school porter, sales man/shop assistant, keeper) • 15 = Worker at home, junior clerk • 97 = Don't remember • 98 = No response
283	**D8_8**	Numerical	1	Whether the institution/firm in which the respondent is/was working is/was public or private (for employees only): • 1 = Private • 2 = Public • 7 = Don't know • 8 = No response
284	**D8_9**	Numerical	1	Sector of economic activity in which the respondent is/was working: • 1 = Agriculture • 2 = Industry • 3 = Services • 7 = Don't know • 8 = No response
285	**D8_10**	Numerical	1	What kind of work it is/was: • 1 = Continuous at home • 2 = Continuous out home • 3 = Seasonal • 7 = Don't know • 8 = No response

286	**D8_11**	Numerical	1	Whether the respondent is/was working with a part-time or full-time collective agreement: • 1 = Full-time • 2 = Part-time • 9 = No agreement • 7 = Don't know • 8 = No response
287	**D8_12**	Numerical	2	Number of hours per week spent working at this job (7 = Don't know; 98 = No response)
288	**D8_13**	Numerical	1	Whether the respondent still has the same job: • 1 = Yes • 2 = No
289	**D8_14MM**	Numerical	1	Month in which the respondent quit the job
290	**D8_14AA**	Numerical	1	Year in which the respondent quit the job
291	**D8_15**	Numerical	1	Whether, after or during this job, the respondent took another activity: • 1 = No • 2 = Yes

Section 9: SPOUSE/COHABITING PARTNER CHARACTERISTICS AND RELIGIOUSNESS

292	**D9_1**	Numerical	1	Whether the respondent is currently living with a partner: • 1 = Currently living with husband • 2 = With husband forced living apart together • 3 = Living with a partner in informal union • 4 = Other condition
293	**D9_2C**	Numerical	3	Code of the municipality where the partner lived most of the time up to age 15
294	**D9_2P**	Numerical	3	Code of the province where the partner lived most of the time up to age 15
295	**D9_3_1**	Numerical	1	Person that usually prepares the daily meals: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response

296	**D9_3_2**	Numerical	1	Person that usually does vacuum/cleaning: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response
297	**D9_3_3**	Numerical	1	Person that usually does the shopping: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response
298	**D9_3_4**	Numerical	1	Person that usually does the dishes: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response
299	**D9_3_5**	Numerical	1	Person that usually looks after the elderly: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response
300	**D9_4**	Numerical	1	Person that manages the money for daily expenditures: • 1 = Partner • 2 = Self • 3 = Both together • 4 = Both, with individual autonomy • 7 = Don't know • 8 = No response
301	**D9_5**	Numerical	1	Person that decides in saving administration: • 1 = Partner • 2 = Self • 3 = Both together • 4 = Both, with individual autonomy • 7 = Don't know • 8 = No response

302	**D9_6**	Numerical	1	Whether there are children under 15 years living with the respondent: • 1 = No • 2 = Yes
303	**D9_7_1**	Numerical	1	Person that usually takes care of infants' meals: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response • 9 = Not applicable
304	**D9_7_2**	Numerical	1	Person that usually gets children dressed: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response • 9 = Not applicable
305	**D9_7_3**	Numerical	1	Person that usually looks after children when they are ill: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response • 9 = Not applicable
306	**D9_7_4**	Numerical	1	Person that usually plays with children: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response • 9 = Not applicable
307	**D9_7_5**	Numerical	1	Person that usually helps children with their homework: • 1 = Self • 2 = Partner • 3 = Both • 4 = Members • 5 = Others • 8 = No response • 9 = Not applicable

308	**D9_8**	Numerical	1	Whether the partner is employed: • 1 = Employed • 2 = Other condition
309	**D9_9**	Numerical	2	Partner's working position: • 01 = Employer • 02 = Professional • 03 = Own account (farmer, metayer, tradesman, craftsman) • 04 = Co-operative • 05 = Unpaid in family business • 06 = Manager • 07 = Executive • 08 = Office clerk • 09 = Professor • 10 = Teacher second level • 11 = Teacher first level (or proceeding first level) • 12 = Skilled worker, foreman • 13 = Unskilled worker • 14 = Other (school porter, sales man/shop assistant, keeper) • 15 = Worker at home, junior clerk • 97 = Don't know • 98 = No response
310	**D9_10**	Numerical	1	Number of hours per week spent by the partner in working at his job
311	**D9_11**	Numerical	1	Whether the partner wants the same number of children wanted by the respondent: • 1 = Same • 2 = More • 3 = Fewer • 7 = Don't know • 8 = No response • 9 = Not applicable
312	**D9_12**	Numerical	2	Number of children wanted from the partner (one digit if he knows the exact number of children wanted. Two digits if the number is not exact) Ex: • 1 = The partner wants 1 children • 12 = The partner wants 1 or 2 children • 97 = Don't know

313	**D9_13**	Numerical	2	Highest level of education completed by the father of the partner (D1 only): • 01 = None • 02 = Primary • 03 = 2nd level (1st stage) • 04 = 2nd level (2nd stage) short • 05 = 2nd level (2nd stage) long • 06 = 3rd level (1st stage/university) diploma • 07 = 3rd level (1st stage/university) degree • 97 = Don't know • 98 = No response • 99 = Not applicable
314	**D9_14**	Numerical	1	Whether the partner's parents ever separated or divorced (D1 only): • 1 = Yes • 2 = No • 7 = Don't know • 8 = No response • 9 = NA
315	**D9_15**	Numerical	2	Number of children had by the partner's mother (including the partner; 98 = No response; 99 = Not applicable) (D1 only)
316	**D9_16_1**	Numerical	1	Whether the respondent is adhering to a religion: • 1 = No • 2 = Yes • 3 = Somewhat • 7 = Don't know • 8 = No response
317	**D9_17_1**	Numerical	1	Religion of the respondent: • 1 = Catholic • 2 = Protestant • 3 = Christian orthodox • 4 = Jewish • 5 = Islamic • 6 = Other • 7 = Don't know • 8 = No response
318	**D9_18_1**	Numerical	1	Respondent's attendance to religious services: • 1 = At least once a week • 2 = About once a month • 3 = Only at official holidays • 4 = Once a year • 5 = (Practically) never • 7 = Don't know • 8 = No response

319	**D9_16_2**	Numerical	1	Whether the partner is adhering to a religion: • 1 = No • 2 = Yes • 3 = Somewhat • 7 = Don't know • 8 = No response
320	**D9_17_2**	Numerical	1	Religion of the partner: • 1 = Catholic • 2 = Protestant • 3 = Christian orthodox • 4 = Jewish • 5 = Islamic • 6 = Other • 7 = Don't know • 8 = No response
321	**D9_18_2**	Numerical	1	Partner's attendance to religious services: • 1 = At least once a week • 2 = About once a month • 3 = Only at official holidays • 4 = Once a year • 5 = (Practically) never • 7 = Don't know • 8 = No response
		Section 10: OPINIONS		
322	**D10_1_1**	Numerical	1	Most important goal to strive for in the next 10 years for a country: • 1 = Maintaining order in the nation • 2 = Giving people more say in important government • 3 = Fighting inflation • 4 = Protecting freedom of speech • 7 = Don't know
323	**D10_1_2**	Numerical	1	Second most important goal to strive for in the next 10 years for a country: • 1 = Maintaining order in the nation • 2 = Giving people more say in important government • 3 = Fighting inflation • 4 = Protecting freedom of speech • 7 = Don't know

324	**D10_2A**	Numerical	1	Whether the respondent agrees with the following statement: "Marriage is an outdated institution" • 1 = Agree • 2 = Disagree • 7 = Don't know
325	**D10_2B**	Numerical	1	Whether the respondent agrees with the following statement: "If a woman wants to have a child as single parent, and she does not want to have a stable relationship with a man, she should be able to have a child" • 1 = Agree • 2 = Disagree • 7 = Don't know
326	**D10_2C**	Numerical	1	Whether the respondent agrees with the following statement: "It would be a good thing if in the future more emphasis was placed on family life" • 1 = Agree • 2 = Disagree • 7 = Don't know
327	**D10_3_1**	Numerical	1	Whether the respondent approves or disapproves abortion when there is risk for psycho-physical health of mother: • 1 = Approve • 2 = Disapprove • 7 = Don't know
328	**D10_3_2**	Numerical	1	Whether the respondent approves or disapproves abortion when there is risk of integrity/health child to be born: • 1 = Approve • 2 = Disapprove • 7 = Don't know
329	**D10_3_3**	Numerical	1	Whether the respondent approves or disapproves abortion when the woman is not married: • 1 = Approve • 2 = Disapprove • 7 = Don't know
330	**D10_3_4**	Numerical	1	Whether the respondent approves or disapproves abortion when the planned number of children is attained: • 1 = Approve • 2 = Disapprove • 7 = Don't know

331	**D10_3_5**	Numerical	1	Whether the respondent approves or disapproves abortion when there are severe economic constraints: • 1 = Approve • 2 = Disapprove • 7 = Don't know
332	**D10_3_6**	Numerical	1	Whether the respondent approves or disapproves abortion when the woman doesn't want a child at the moment: • 1 = Approve • 2 = Disapprove • 7 = Don't know
333	**D10_4**	Numerical	1	Whether the respondent ever induced abortions: • 1 = No • 2 = At least one
334	**D10_5**	Numerical	2	Circumstance of the respondent's (last) abortion: • 01 = Risk for psycho-physical health of mother • 02 = Risk of integrity/health of child • 03 = Woman not married • 04 = Attained the planned number of children • 05 = Severe economic constraints • 06 = Woman doesn't wish a child at the moment • 07 = Other circumstances • 98 = No response
335	**D10_6**	Numerical	1	Whether the respondent thinks that a woman should decide to induce an abortion by oneself or in agreement with her partner (D1 only): • 1 = By oneself • 2 = In agreement with her partner • 3 = Other • 7 = Don't know • 8 = No response
336	**D10_7**	Numerical	1	Statement that in the respondent's opinion fits best with her idea of responsibility of parents toward their children (D1 only): • 1 = It is parents duty to do their best for their children, even at the expense of their own well-being • 2 = Parents have lives of their own and should not be asked

				to sacrifice their own well-being for the sake of their children • 3 = Neither • 7 = Don't know • 8 = No response
337	**D10_8**	Numerical	1	Statement that in the respondent's opinion fits best with her idea of responsibility of children toward elderly parents (D1 only): • 1 = It is children duty to take care of their elderly parents when they need it, even at the expense of their own well-being • 2 = Children have lives of their own and should not be asked to sacrifice their own well-being for the sake of their parents • 3 = Neither • 7 = Don't know • 8 = No response
338	**D10_9A**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Lack of love from partner" • 1 = Sufficient • 2 = Insufficient • 7 = Don't know • 8 = No response
339	**D10_9B**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Personality clashes with partner" • 1 = Sufficient • 2 = Insufficient • 7 = Don't know • 8 = No response
340	**D10_9C**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Aggressive behavior from partner" • 1 = Sufficient • 2 = Insufficient • 7 = Don't know • 8 = No response
341	**D10_9D**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Unsatisfactory division of household tasks with partner" • 1 = Sufficient

				• 2 = Insufficient • 7 = Don't know • 8 = No response
342	**D10_9E**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Unfaithful behavior by man" • 1 = Sufficient • 2 = Insufficient • 7 = Don't know • 8 = No response
343	**D10_9F**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Unfaithful behavior by woman" • 1 = Sufficient • 2 = Insufficient • 7 = Don't know • 8 = No response
344	**D10_9G**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Unsatisfactory sexual relationship with partner" • 1 = Sufficient • 2 = Insufficient • 7 = Don't know • 8 = No response
345	**D10_9H**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Inability to have children with partner" • 1 = Sufficient • 2 = Insufficient • 7 = Don't know • 8 = No response
346	**D10_9I**	Numerical	1	Whether the respondent considers the following reason sufficient for splitting up: "Disagreement about the number of children to have" • 1 = Sufficient • 2 = Insufficient • 7 = Don't know • 8 = No response
347	**D10_10A**	Numerical	1	In respondent's opinion, what is more convenient for a woman definitely separated from her partner, if she has children under 15 years: • 1 = To remarry • 2 = To cohabit • 3 = To live alone • 4 = To be reunited with parental family

				• 7 = Don't know • 8 = No response
348	**D10_10B**	Numerical	1	In respondent's opinion, what is more convenient for a woman definitely separated from her partner, if she doesn't have children under 15 years: • 1 = To remarry • 2 = To cohabit • 3 = To live alone • 4 = To be reunited with parental family • 7 = Don't know • 8 = No response
349	**D10_11A**	Numerical	1	Whether the respondent agrees with the following statement: "A working mother can establish just as warm and secure a relationship with her children as a mother who doesn't work" • 1 = Fully disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Fully agree • 7 = Don't know • 8 = No response
350	**D10_11B**	Numerical	1	Whether the respondent agrees with the following statement: "Having a job is the best way for a woman to be an independent person" • 1 = Fully disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Fully agree • 7 = Don't know • 8 = No response
351	**D10_11C**	Numerical	1	Whether the respondent agrees with the following statement: "Both the man and the woman should contribute to the household income" • 1 = Fully disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Fully agree • 7 = Don't know • 8 = No response

352	**D10_11D**	Numerical	1	Whether the respondent agrees with the following statement: "Being a housewife is just as fulfilling as working for pay" • 1 = Fully disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Fully agree • 7 = Don't know • 8 = No response
353	**D10_11E**	Numerical	1	Whether the respondent agrees with the following statement: "A pre-school child is likely to suffer if his/her mother works" • 1 = Fully disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Fully agree • 7 = Don't know • 8 = No response
354	**D10_11F**	Numerical	1	Whether the respondent agrees with the following statement: "A job is all right, but what most women really want is to take care of their own family" • 1 = Fully disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Fully agree • 7 = Don't know • 8 = No response
355	**D10_11G**	Numerical	1	Whether the respondent agrees with the following statement: "It is right to make as many sacrifices as necessary for the advance in woman's occupational career" • 1 = Fully disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Fully agree • 7 = Don't know • 8 = No response
356	**D10_11H**	Numerical	1	Whether the respondent agrees with the following statement: "It is important that husband and wife share equally the care of home and children"

				• 1 = Fully disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Fully agree • 7 = Don't know • 8 = No response
357	**D10_12A**	Numerical	1	Whether the respondent agrees with the following statement: "I like to buy things so I cut a fine figure" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
358	**D10_12B**	Numerical	1	Whether the respondent agrees with the following statement: "The most important thing is to protect the respectability of my family"(D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
359	**D10_12C**	Numerical	1	Whether the respondent agrees with the following statement: "Our society became so violent and inhuman because people wandered away from religion" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
360	**D10_12D**	Numerical	1	Whether the respondent agrees with the following statement: "I like to follow fashion" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response

361	**D10_12E**	Numerical	1	Whether the respondent agrees with the following statement: "I prefer to achieve a less satisfactory, but sure, goal rather than a more satisfactory one but risky to be reached" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
362	**D10_12F**	Numerical	1	Whether the respondent agrees with the following statement: "Often I feel to live pointlessly" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
363	**D10_12G**	Numerical	1	Whether the respondent agrees with the following statement: "It is not enough for me to act as witness of the events, I need to intervene and to make my contribution" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
364	**D10_12H**	Numerical	1	Whether the respondent agrees with the following statement: "It is perfectly correct and natural that women, in several fields, benefit by fewer freedom than men" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
365	**D10_12I**	Numerical	1	Whether the respondent agrees with the following statement: "Death penalty should be admitted in particularly serious circumstances" (D2 Only)

				• 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
366	**D10_12L**	Numerical	1	Whether the respondent agrees with the following statement: "Sexual experiences before marriage are useful for young people" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
367	**D10_12M**	Numerical	1	Whether the respondent agrees with the following statement: "People will be able to be better off, thanks to the development of the consumer society" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
368	**D10_12N**	Numerical	1	Whether the respondent agrees with the following statement: "Everybody has to sacrifice something to overcome the present difficult time" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
369	**D10_12O**	Numerical	1	Whether the respondent agrees with the following statement: "I like feeling and living my body very intensely" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree

				• 7 = Don't know • 8 = No response
370	**D10_12P**	Numerical	1	Whether the respondent agrees with the following statement: "Pollution has to be accepted if we want the industrial development and the improvement of the level of life" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
371	**D10_12Q**	Numerical	1	Whether the respondent agrees with the following statement: "The marriage is forever" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
372	**D10_12R**	Numerical	1	Whether the respondent agrees with the following statement: "It is more and more dangerous to go out in the evening" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
373	**D10_12S**	Numerical	1	Whether the respondent agrees with the following statement: "To solve the problems of our country it would be convenient to concentrate the power into the hands of few people" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response

374	**D10_12T**	Numerical	1	Whether the respondent agrees with the following statement: "Before deciding to buy something I keep information at the best and I compare the prices carefully" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
375	**D10_12U**	Numerical	1	Whether the respondent agrees with the following statement: "I agree with laws forbidding some foreigners to work in Italy" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
376	**D10_12V**	Numerical	1	Whether the respondent agrees with the following statement: "I need little to live" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response
377	**D10_12Z**	Numerical	1	Whether the respondent agrees with the following statement: "I deeply believe in values and ideals" (D2 Only) • 1 = Strongly disagree • 2 = Quite disagree • 3 = Indifferent • 4 = Quite agree • 5 = Strongly agree • 7 = Don't know • 8 = No response

Section 11: SECTION FOR THE INTERVIEWER

378	**CONT1**	Numerical	2	Number of in-person viewings
379	**CONT2**	Numerical	2	Number of phone calls
380	**GGI**	Numerical	2	Day of the interview
381	**MMI**	Numerical	2	Month of the interview
382	**HHI**	Numerical	2	Interview start time (hour)

383	**MNI**	Numerical	2	Interview start time (minutes)
384	**DURA**	Numerical	1	Interview duration: • 1 = Less than 30 minutes • 2 = 30-45 minutes • 3 = 45-60 minutes • 4 = 60-90 minutes • 5 = more than 90 minutes
385	**DIFF1**	Numerical	1	Difficulty in understanding section 1: • 1 = High • 2 = Fair
386	**DIFF2**	Numerical	1	Difficulty in understanding section 2: • 1 = High • 2 = Fair
387	**DIFF3**	Numerical	1	Difficulty in understanding section 3: • 1 = High • 2 = Fair
388	**DIFF4**	Numerical	1	Difficulty in understanding section 4: • 1 = High • 2 = Fair
389	**DIFF5**	Numerical	1	Difficulty in understanding section 5: • 1 = High • 2 = Fair
390	**DIFF6**	Numerical	1	Difficulty in understanding section 6: • 1 = High • 2 = Fair
391	**DIFF7**	Numerical	1	Difficulty in understanding section 7: • 1 = High • 2 = Fair
392	**DIFF8**	Numerical	1	Difficulty in understanding section 8: • 1 = High • 2 = Fair
393	**DIFF9**	Numerical	1	Difficulty in understanding section 9: • 1 = High • 2 = Fair
394	**DIFF10**	Numerical	1	Difficulty in understanding section 10: • 1 = High • 2 = Fair
395	**DIS1**	Numerical	1	Discomfort during section 1: • 1 = High • 2 = Fair
396	**DIS2**	Numerical	1	Discomfort during section 2: • 1 = High • 2 = Fair
397	**DIS3**	Numerical	1	Discomfort during section 3: • 1 = High • 2 = Fair
398	**DIS4**	Numerical	1	Discomfort during section 4: • 1 = High • 2 = Fair

399	**DIS5**	Numerical	1	Discomfort during section 5: • 1 = High • 2 = Fair
400	**DIS6**	Numerical	1	Discomfort during section 6: • 1 = High • 2 = Fair
401	**DIS7**	Numerical	1	Discomfort during section 7: • 1 = High • 2 = Fair
402	**DIS8**	Numerical	1	Discomfort during section 8: • 1 = High • 2 = Fair
403	**DIS9**	Numerical	1	Discomfort during section 9: • 1 = High • 2 = Fair
404	**DIS10**	Numerical	1	Discomfort during section 10: • 1 = High • 2 = Fair
405	**DISP**	Numerical	1	Willingness for the interview: • 1 = Always poor • 2 = Poor at the begininning, better later • 3 = Good at the beginning, poorer latter • 4 = Sufficient • 5 = Good • 6 = Great
406	**LUOGO**	Numerical	1	Place of the interview: • 1= Respondent's house • 2 = House of respondent's friends/relatives • 3 = Workplace • 4 = Other
407	**CLS_A**	Numerical	1	Class of the house (only if the interview took place in the respondent's house): • 1 = Luxury • 2 = Decent • 3 = Modest • 4 = Poor • 5 = Improper
